

What You Should Expect To Pay For IT Support For Your Firm

Remote MIT is Managed IT Services Provider (MSP): Most managed IT services firms will quote you a monthly fee based on the number of devices they need to maintain, back-up and support. In Midwest USA: Michigan (Metro Detroit), Ohio, Indiana, Illinois, that fee is somewhere in the range of \$250-\$350 per server, \$125.00 to \$200 per desktop and approximately \$85.00 - \$125.00 per smartphone or mobile device.

Remote MIT charges \$75 per computer and \$150 per server per month.
